Regulatory Net Worth: ₹ 5597.24 Lakhs

### State of Company affairs:

#### The Year That Went By:

The Company recorded a significant improvement in its financial performance during the year under review. The Profit After Tax for 31 March 2026 went up to ₹ 5.76 crore, from ₹ 2.47 crore as on 31<sup>st</sup> March 2025 reflecting improved operational performance, better asset quality and enhanced recovery efforts.

The Balance Sheet of the Company expanded to ₹ 336.16 crore as on 31 March 2026, from ₹ 307.83 crore as on 31 March 2025. The Capital Adequacy Ratio (CRAR) stood at 26.44%, reflecting the Company's strong capital position and adequate capital buffer to support its future business growth.

During the year, the Company further diversified and strengthened its liability profile by mobilizing ₹74.47 crore through market borrowings, comprising ₹60.00 crore through Listed Non-Convertible Debentures (NCDs) and ₹14.47 crore through Unsecured Subordinated Debt. The total liability book of the Company stood at ₹254.40 crore as at 31 March 2026, representing the outstanding principal amount of borrowings, excluding accrued interest and other accrued amounts. There was no change in the cost of liability as compared to 31 March 2025, which was 10.72%.

The total Loan book of the Company stood at ₹ 261.30 Crore. The Retail Loan book was ₹ 197.60 Crore as on 31 March 2026, which increased from ₹ 185.25 Crore as on 31 March 2025. The Company continued to focus on expanding its retail lending business by strengthening its presence in vehicle finance, MSME lending, mortgage loans and business loans while maintaining prudent underwriting standards.

The yield on advances went down by about 19 bps (basis points) as on 31 March 2026 as compared to 31 March 2025.

The Company undertook a conscious decision to write off NPAs amounting to ₹ 9.11 Crore during the year ended 31 March 2026 as part of a balance sheet clean-up exercise. This initiative was aimed at strengthening the quality of the loan portfolio and presenting a healthier balance sheet going forward. The total Non-Performing Assets stood at ₹ 8.73 Crore for the year ended 31 March 2026 as against ₹ 14.23 Crore as on 31 March 2025, after the Write Off as noted above. The Company continued to strengthen its collection and recovery mechanisms during the year. Focused recovery initiatives, including intensive field follow-up, legal recovery proceedings, negotiated One-Time Settlements (OTS) in deserving cases, repossession of financed vehicles and stocks, and their timely disposal, contributed to a significant improvement in portfolio quality. Consequently, the Net NPA Ratio improved to 2.13% as on 31 March 2026, compared to 4.01% as on 31 March 2025.

The Company's profitability indicators also improved considerably during the year. Return on Equity (ROE) increased from 5.11% as on 31 March 2025 to 9.76% as on 31 March 2026, while Return on Average Assets (ROAA) improved from 1.10% to 2.42%, reflecting enhanced operating efficiency and improved earnings.

**Future Outlook:**

Going forward, the Company will continue to focus on expanding its retail loan portfolio by entering newer segments within the retail lending space, strengthening its presence across existing and new geographies, leveraging technology-driven credit assessment and collections, and maintaining a prudent approach towards risk management and asset quality. The Company remains committed to achieving sustainable growth while preserving profitability, liquidity and capital adequacy. As part of the Company's business expansion strategy, the Company is pleased to announce its entry into the neighbouring state of Tamil Nadu with the commencement of operations through three branches located at Coimbatore, Erode, and Salem. This strategic expansion marks an important milestone in strengthening the Company's presence across new geographies and enhancing the reach of its business operations.

In the initial phase, the Company intends to focus on the Micro, Small and Medium Enterprises (MSME) segment in these markets, where it believes there is significant growth potential and strong demand for financing solutions.

Upon establishing a stable presence in the MSME segment in these regions, the Company plans to broaden its product portfolio by expanding into vehicle financing, including loans for pre-owned passenger vehicles.

The Collection and Recovery Department, which has been significantly strengthened over the past few years, will continue to implement robust and strategic recovery initiatives to ensure effective portfolio management. These measures are aimed at maintaining the Gross Non-Performing Assets (GNPA) ratio below 3% of the Company's total loan portfolio on a sustained basis.

**Material changes and commitments, if any, affecting the financial position of the company which has occurred between the end of the Financial Year of the company to which the Financial Statements relate and the date of the report:**

There were no material changes and commitments which affected the financial position of the Company which had an impact on the functioning and working of the Company.

**Change in Nature of Business, if any, during FY 2025-26:**

Your Company has not deviated from its line of business activity nor has expanded the area of activities.

**Dividend:**

The Board has not recommended any final dividend for the year under review. Subsequent to the end of the financial year, the Board of Directors declared an interim dividend of 5% based on the profit for the year ended 31 March 2026, which was paid in June 2026.

**Reserves:**

During the Financial Year 2025-26, your company has registered a Profit Before Tax of ₹ 6.66 Crore as against ₹ 3.48 Crore in 2024-2025, and an amount of ₹ 1.16 Crore is transferred to reserves.

**Share Capital:**

The Capital structure of the Company is as follows:

(₹ In Lakhs)

| Share Capital |                                                                                            | 31.03.2026 | 31.03.2025 |

#### Changes in Share Capital:

During the financial year, the Board of Directors, at its meeting held on 16 March 2026, approved the allotment of 1,13,38,825 (One Crore Thirteen Lakh Thirty-Eight Thousand Eight Hundred and Twenty-Five) equity shares of face value ₹10 each, as rights shares, with ₹5 per share received on application, to the existing shareholders of the Company.

Consequent to the aforesaid allotment, the paid-up share capital of the Company stood at ₹ 3968.58 as on 31 March 2026.

Except for the above allotment, there was no other change in the share capital of the Company during the financial year 2025–26.

#### Credit Rating of Securities:

Pursuant to Regulation 34(3) and Regulation 52(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read alongside the master directions issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies, the Company hereby discloses the credit ratings assigned to its listed debt securities as of March 31, 2026.

The Company's listed Non-Convertible Debentures (NCDs) have been assessed by Infomerics Valuation and Rating Private Limited (Infomerics). The details of the credit ratings are summarized in the table below:

| Type of Security / Instrument            | Credit Rating Agency | Credit Rating Assigned | Outlook | Status / Revision during the FY |
|------------------------------------------|----------------------|------------------------|---------|---------------------------------|
| Listed Non-Convertible Debentures (NCDs) | Infomerics Ratings   | IVR BB+                | Stable  | Reaffirmed / Maintained         |

- There has been no suspension, revocation, or withdrawal of the credit rating assigned to the listed NCDs by the credit rating agency during the financial year ended March 31, 2026.
- The Company has been regular in the timely payment of principal and interest obligations on its listed NCDs, and no defaults have occurred during the period under review.

#### Investor Education and Protection Fund (IEPF)

The Company has promptly disbursed all declared dividends directly to the designated bank accounts of the shareholders. As there are no outstanding unpaid or unclaimed dividends remaining with the Company for the statutory period of seven years, no funds or shares were required to be transferred to the Investor Education and Protection Fund (IEPF) during the financial year ended March 31, 2026.

#### Revision of Financial Statement:

There was no revision of the Financial Statements of any earlier years during the year under review.

#### Nomination and Remuneration Committee:

The Nomination and Remuneration Committee of Directors decides on the policies and details of remuneration payable to the Directors. The Committee had met one time during the Financial Year under review ie; on 22<sup>nd</sup> August 2025 and all its members were present except Mr. Raphel Thomas. Mr. P C John was the Chairman of the Committee Meeting.

Consequent to the cessation of Independent Directors, Mr. Kuruppath Ajitkumar and Mr. Palathunkal Chacko John, two new Independent Directors appointed at the AGM held on 24th September 2025 were inducted into Nomination and Remuneration Committee of the Company.

The composition of the Nomination and Remuneration Committee is as follows: -

| Date of the meeting | Raphel Thomas          | Palathunkal Chacko John                | Kuruppath Ajitkumar                    |
|---------------------|------------------------|----------------------------------------|----------------------------------------|
| Category            | Non-Executive Director | Non-Executive and Independent Director | Non-Executive and Independent Director |
| 22.08.2025          | Absent                 | Present                                | Present                                |

#### Statement on declaration given by independent directors under sub-section (6) of section 149 and compliance of code of conduct

The Company has received declarations from all the Independent Directors confirming that they meet the criteria of independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013. In the opinion of the Board, all the Independent Directors possess the requisite integrity, expertise and experience, including proficiency, and fulfil the conditions specified under the Companies Act, 2013 for continuing as Independent Directors of the Company.

The Independent Directors have complied with the Code for Independent Directors prescribed in Schedule IV to the Act.

#### Opinion of the Board on the Integrity, Expertise, Experience and Proficiency of Independent Directors

The Board of Directors is of the opinion that the Independent Directors appointed during the year possess the requisite integrity, expertise, experience and proficiency required to effectively discharge their duties and responsibilities as Independent Directors of the Company. The Board has satisfied itself

that the Independent Directors have the appropriate skills, knowledge and experience in their respective fields and fulfil the conditions of independence as prescribed under the Companies Act, 2013.

The Board further believes that, considering their qualifications, professional experience and industry knowledge, the Independent Directors bring valuable guidance, independent judgment and diverse perspectives to the deliberations of the Board and contribute significantly to the governance of the Company.

#### **Remuneration Policy:**

The Company has laid down remuneration criteria for directors, key managerial personnel, independent Directors, other employees in the Remuneration Policy.

#### **The main contents of this policy are as follows:**

1. The remuneration structure is based on the qualification and skill levels at the time of joining the organisation and reviewed on a yearly basis by way of an assessment of their actual performance, through a robust “Performance Management System”.
2. The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully and is comparable to the compensation structure obtaining in other NBFCs and the broader financial sector.
3. Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
4. Remuneration to executive directors, key managerial personnel involve a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.
5. Non-Executive Independent Directors of the Company are paid sitting fee for attending Board/ Committees meetings and reimbursement of expenses for participation in Board/Committee meetings.

#### **Policy on appointment of directors and criteria for determining qualifications, positive attributes and independence of a director:**

The Nomination and Remuneration Committee is responsible for developing competency requirements for the Board and in this regard conducts a gap analysis to determine the Board composition on a periodic basis including each time a Director appointment or reappointment is required. The committee has framed a policy to determine the qualification, positive attributes and independence of a Director. The key features of the policy are:

1. **Independence:** In accordance with the above criteria, a Director will be considered as an ‘Independent Director’ if he/ she meets with the criteria for ‘Independent Director’ as laid down in the Act.
2. **Qualifications:** A transparent Board nomination process is in place that encourages diversity of thought, experience, knowledge, perspective, age and gender. It is also ensured that the Board has an appropriate blend of functional and industry expertise. While recommending the appointment of

a Director, the Nomination and Remuneration Committee considers the manner in which the function and domain expertise of the individual will contribute to the overall skill-domain mix of the Board.

3. **Positive Attributes:** In addition to the duties as prescribed under the Act, the Directors on the Board of the Company are also expected to demonstrate high standards of ethical behaviour, strong interpersonal and communication skills and soundness of judgment. Independent Directors are also expected to abide by the 'Code for Independent Directors' as outlined in Schedule IV to the Act.

The Independent Directors of your Company have confirmed that (a) they meet the criteria of independence prescribed under Section 149, Section 150 and Rule 6(1) of the Companies (Appointment and Qualification of Directors)

**Remuneration received by Managing/Whole time Director from holding or subsidiary company- NA**

**Particulars of Loan, Guarantees and Investments under Section 186:**

The Company, being a Non-Banking Financial Company registered under Chapter IIIB of the Reserve Bank of India Act, 1934, is exempted from the provisions of Loans made by Company under Section 186 of Companies Act, 2013. An investment amounting to ₹ 121.95 Lakhs/- in one of the group company Hedge Equities Ltd existed at the beginning of the financial year and is continuing at the end of the financial year for the same amount as the company has not made any further investment or sale during the period.

**Particulars of Contracts or Arrangements with Related Parties:**

The particulars of every contract or arrangements entered into by the Company with related parties referred to in subsection (1) of Section 188 of the Companies Act, 2013 read along with rule 8 of the Companies (Accounts) Rules, 2014 and Part A of Schedule V of SEBI LODR Regulations has been enclosed in Form AOC-2 attached as **Annexure I**.

**Auditors:**

M/s. Mohandas & Associates, Chartered Accounts, Thrissur, were appointed as the Statutory Auditors of the Company by the shareholders, under section 139 of the Companies Act, 2013 for a term of 5 consecutive years, commencing from the conclusion of 10<sup>th</sup> Annual General Meeting until the conclusion of the 15<sup>th</sup> Annual General Meeting.

Pursuant to the provisions of Section 139(2) of the Companies Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014, the tenure of the existing Statutory Auditors expires at the conclusion of the ensuing AGM. Accordingly, M/s. Mohandas & Associates, Chartered Accountants, Thrissur, shall cease to hold office upon the completion of their present term.

Based on the recommendation of the Audit Committee, the Board of Directors has recommended the appointment of **M/s. Manikandan and Associates, Chartered Accountants, Chalakudy**, as the Statutory Auditors of the Company for a term of five consecutive years, commencing from the conclusion of the ensuing AGM until the conclusion of the 20<sup>th</sup> AGM, subject to the approval of the shareholders.

The proposed appointment is in accordance with the provisions of the Companies Act, 2013, and the Companies (Audit and Auditors) Rules, 2014.

**Auditor's report:**

Your Company confirms that there are no qualifications in the Statutory Auditor's Report for the year under review.

**Fraud reporting by the Auditors:**

During the year, there were no instances of fraud reporting by the Auditors to the Management, hence the provisions of Section 143(12) of the Companies Act, 2013 is not applicable to the Company.

**Cost Auditors:**

The provisions of Companies (Cost Records & Audit) Amendment Rules 2014 are not applicable to your Company. The Central government has not specified maintenance of cost records for the Company under sub – section (1) of section 148 of the Companies Act 2013. Therefore, there is no requirement for appointment of Cost Auditors.

**Secretarial Audit**

Your Company is exempted from the definition of Listed Company pursuant to the recent amendment of insertion of Rule 2A in Companies (Specification of definitions details) Rules, 2014, as amended from time to time. Therefore, your Company is not required to have Secretarial Audit and hence no Secretarial Audit was conducted for the Financial Year ended 31 March 2026.

**Compliance with Secretarial Standards on Board and General Meetings:**

The Company has complied with the applicable provisions of the Secretarial Standards issued by the Institute of Company Secretaries of India and approved by the Central Government, namely Secretarial Standard on Meetings of the Board of Directors (SS-1) and Secretarial Standard on General Meetings (SS-2), during the financial year under review.

**Conservation of Energy, Technology, Absorption and Foreign Exchange:**

The particulars as prescribed under sub-section (3) (m) Section 134 of the Companies Act, 2013, read with the Companies (Accounts) Rules, 2014 as amended up to date, are set out hereunder:

**A. Conservation of Energy:**

Though your Company does not have energy intensive operations, it continues to adopt energy conservation measures in its administrative and other operations to the extent possible in spirit of contributing towards green ecology initiative which is globally gaining popularity and adoptability. Adequate measures have been taken to conserve energy by using energy-efficient computers and equipment, which would help in conservation of energy.

**B. Technology Absorption, Adaptation and Innovation, Research and Development:**

Your Company has neither carried out any research and development activities during the year under review nor incurred any expenditure thereupon. However, your Company is always finding out newer ways of attracting customers and launching new initiatives to capture market dominance.

**C. Foreign Exchange Earnings and Outgo:**

During the period under report, your Company had not earned any amount of foreign exchange nor had incurred expenditure in foreign exchange.

**Risk Management Policy:**

As per the Risk Management Policy of the company, all fixed assets and machineries are properly maintained, and this Policy has been reviewed by the Board on an annual basis. The company has a proper Risk Management Policy towards operations and administrative affairs of the company. The Managing Director will review the policy at regular intervals and ensure proper implementation of the policy formulated.

**Details of significant and material orders passed by the Regulators or Courts or Tribunal:**

There were no significant material orders passed by any Regulators or Courts or Tribunal during the year under review which would have impact on the going concern status of the Company and its future operation.

**Adequacy of internal financial controls with reference to the Financial Statements:**

The Company has an adequate system of internal controls in place. These controls have been designed to provide a reasonable assurance with regard to maintenance of proper accounting controls for ensuring reliability of financial reporting, monitoring of operations, and protecting assets from unauthorized use or losses, compliances with regulations. The Company has continued its efforts to align all its processes and controls with global best practices.

**Deposits:**

The Company has not accepted any deposits during FY 2025-26. The directives issued by Reserve Bank of India and as per the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 are not applicable to the company.

**Corporate Social Responsibility (CSR) Policy:**

The provisions of Section 135(1) of the Companies Act 2013 read with Rule 9 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 relating to Corporate Social Responsibility became applicable to your Company from 2024 since the Company recorded a Net Profit of above ₹ 5 Crore which is the threshold limit for Companies to have CSR activity under the Companies Act, 2013 and accordingly, the Company has undertaken CSR activities during the financial year 2025-26 in accordance with the provisions of Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014.

The Annual Report on CSR Activities for the financial year 2025-26, in the prescribed format, is annexed to and forms part of this Board's Report as **Annexure II**.

The details relating to the composition of the CSR Committee, CSR Policy, CSR projects undertaken, CSR obligation, amount spent, amount unspent, if any, and other particulars as required under the applicable provisions of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014 are provided in the said Annexure.

**Disclosure of Establishment of Vigilance Mechanism:**

The company being an entity which always promotes and follow ethical paths, has established the necessary mechanism through Whistle Blower policy duly approved by the Board, for employees to report concerns about unethical behaviour. No person was denied access to the Audit Committee. The policy of the company ensures standards of professionalism, honesty, integrity, and ethical behaviour. Going forward the company will be reviewing this policy based on the regulatory requirements to keep in pace with requirements.

**Disclosure under Sexual Harassment of Women at Workplace (prevention, prohibition & Redressal) Act, 2013:**

The Company has zero tolerance for sexual harassment at workplace and has adopted a sexual harassment policy in line with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules thereunder for prevention and redressal of complaints of sexual harassment at workplace. The Company has constituted necessary Committee as required under the above-mentioned Act.

There was no Sexual Harassment of Women reported during the year ended 31.03.2026. There are proper and adequate arrangements so as to avoid occurrence of sexual harassment.

- a) Number of complaints of sexual harassment received in the year; - 0
- b) Number of complaints disposed off during the year; - 0
- c) Number of cases pending for more than ninety days – 0

**Disclosure under the Insolvency and Bankruptcy Code 2016 (31 of 2016)**

There are no proceedings pending under the Insolvency and Bankruptcy Code 2016 (31 of 2016) during the year and as at the end of the financial year 2026.

**Details of difference between valuation amount on one time settlement and valuation while availing loan from Banks and Financial Institutions**

During the year under review, there has been no one-time settlement of loans taken from Banks and Financial Institutions.

**Compliance with the Maternity Benefit Act, 1961**

The Company is committed to providing a safe, healthy and inclusive workplace for all its employees. The Company has complied with the applicable provisions of the Maternity Benefit Act, 1961, as amended from time to time, and has extended maternity benefits and related facilities to eligible employees in accordance with the requirements of the said Act.

**Directors Responsibility Statement:**

In accordance with the provisions of the Section 134(5) of the Companies Act 2013, the Board of Directors to best of their knowledge and ability, confirm that:

- a) in the preparation of annual accounts for the Financial Year ended 31 March 2026, the applicable accounting standards had been followed and there was no departure from the accounting standards followed.
- b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the company as 31 March 2026 and of the profit / (loss) of the company for that period;
- c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities.
- d) the directors had prepared the annual accounts on a going concern basis.
- e) since the Company has not listed its shares on Stock Exchanges this clause regarding internal financial controls is not applicable to the Company.
- f) the directors had devised proper system to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

#### Particulars of Employees:

The statement of particulars of employees as per Rule 5(2) & (3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is not applicable to your Company.

#### Acknowledgement:

Your Directors place on record their deep appreciation to employees at all levels for their hard work, dedication and commitment.

The Board places on record its appreciation for the support and co-operation your Company has been receiving from RBI, BSE, business partners, suppliers, redistribution stockists, retailers and others associates with the Company as its trading partners.

It will be the Company's endeavour to build and nurture strong links with the trade based on mutuality of benefits, respect for and cooperation with each other, consistent with consumer interests.

The Directors also take this opportunity to thank all Investors, Clients, Vendors, Banks, Government and Regulatory Authorities for their continued support.

**INDEPENDENT AUDITOR'S REPORT****To the members of Hedge Finance Limited****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of Hedge Finance Limited ("the Company") which comprise the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statement including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India of the state of affairs of the company as at 31st March, 2026, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statement.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sl no. | Key Audit Matter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Auditor Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| 1      | <p>Expected credit loss on loans and advance</p> <p>The estimation of ECL on financial instruments involves significant judgments and estimates. As part of our risk assessment, we determined that the allowance for ECL on Loans Assets has a high degree of estimation of uncertainty, with a potential range of reasonable outcomes for the financial statements.</p> <p>The elements of estimating ECL which involved increased level of audit focus are the following:</p> <p>Data Inputs: The application of ECL model requires several data inputs</p> <p>Model Estimations: Inherently judgment models used for the estimation of probabilities of Default (PD), Loss given default (LGD) and Exposure at Default (EAD). The PD and LGD are the key drivers of the estimation of ECL.</p> <p>Qualitative and quantitative factors used in staging the loan assets measured at amortized cost.</p> <p>Ind AS 109 requires the entity to measure the ECL on an unbiased forward-looking basis reflecting a range of future economic conditions. The management measure the ECL considering the historical trends as well as considering macro-economic emerging trends.</p> | <p>We performed the following audit procedures:</p> <p>Testing the design and effectiveness of internal controls over the following:</p> <p>Key controls over the completeness and accuracy of key inputs, data and assumptions into the Ind AS 109 impairment models.</p> <p>Key controls over the application of the staging criteria consistent with the definition applied in accordance with the policy approved by the board of directors including the appropriateness of the qualitative factors.</p> <p>Management control over authorization and calculation of post model adjustments and management overlays to the output of the ECL model.</p> <p>Also, for a sample of ECL allowance on loan assets tested in respect of Key Inputs, data and assumptions impacting ECL calculations to assess the completeness, accuracy and relevance of data, Reasonableness and weights.</p> <p>We tested the mathematical accuracy of ECL calculations using the same inputs used by the company.</p> <p>Testing management's controls on compliance with disclosures to confirm the compliance with the relevant provisions of Ind AS 109 and the RBI directions.</p> <p>Evaluating the changes and updations during the year whether those changes and updates are appropriate or not.</p> |

**Information Other Than Financial Statements and Auditors Report Thereon**

The Company's Board of Directors is responsible for other information. The other information comprises of information included in the Company's Annual Report but does not include the Financial Statements and our report thereon. The Annual Report is expected to be made available after the date of this Auditor's Report.

Our Opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit on the Financial Statements, our responsibility is to read the other information made available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matters to Those Charged with Governance and take appropriate actions as applicable under the relevant laws and regulations, we have nothing to report in this regard.

**Responsibility of Management and Those Charge with Governance for the Financial Statements**

The company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("The Act") with respect to preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standard (Ind AS) prescribed under section 133 of the Act, read with the companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the asset of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis for accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our responsibilities are to design suitable audit procedures to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high-level of assurance, but is not a guarantee that an audit conducted in accordance with SAs' will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of the users taken on the basis of these Financial Statements.

As part of an audit in accordance with standards on auditing, we exercise professional judgment and professional scepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Undersection 143 (3) (i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls systems in place and operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d) Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However future events or conditions may cause the company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any unidentified misstatements in the standalone financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or

regulations precludes public disclosure about a matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the "Annexure I" to this report a statement on the matters specified in Paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by the Non-Banking Financial Companies Auditor's Report (Reserve Bank) Direction, 2016, issued by the Reserve Bank of India in exercise of the powers conferred by sub-section (1A) of Section 45 MA of the Reserve Bank of India Act, 1934, we give in the "Annexure II", an additional Audit Report addressed to the Board of Directors containing our statements on the matters specified therein.
3. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;
  - c) No report on the accounts of any of the branch offices audited under subsection 8 of section 143 by any person has been received by us and therefore no comments need to be made on the matter.
  - d) The balance sheet, the statement of profit and loss (including Other Comprehensive Income), the cash flow statement, and the statement of changes in equity dealt with by this report are in agreement with the books of account.
  - e) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - f) On the basis of the written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026, from being appointed as a director in terms of section 164 (2) of the Act.
  - g) In our opinion there are no qualifications, reservations, or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our Report in “Annexure III”.
- j) With respect to the matters to be included in the Auditor’s Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rule, 2014, as amended, in our opinion and to the best of our information and according to explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The company does not have any long-term contracts including derivative contracts for which there were any foreseeable losses.
  - iii. According to the information provided, there are no any amounts, required to be transferred by the company to the Investor Education & Protection Fund as on 31st March, 2026.
  - iv.
    - a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or any other person(s) or entity (ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities (“funding parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries ;
    - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v. The company has not declared or paid any dividend during the year.
4. Based on our examination which included test checks the company has used an accounting software for maintaining its books of account for the financial year ended 31st March 2026. which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not

come across any instance of audit trail feature being tampered with. And management has represented that the audit trail feature cannot be disabled. Company has preserved the Audit trail as per the statutory requirements for records retention.

**ANNEXURE I****TO THE AUDITOR'S REPORT**

(Referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of Our Report of even date to the members of Hedge Finance Limited on the accounts of the company for the year ended 31 st March 2026.)

In terms of Companies (Auditor's Report) Order 2020, issued by the Central Government of India, in terms of section 143(11) of The Companies Act, 2013, on the matters specified in paragraph 3 and 4 of the said Order, to the best of our information and according to the explanations provided to us by the company and the books of accounts and records examined by us in the normal course of audit, We report that: -

i.

- a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, plant and Equipment.

(B) The company has maintained proper records showing full particulars of Intangible assets.

- b) According to the information and explanation given to us, the Company has a regular programme for the verification of its Property, Plant and Equipment. Which is in our opinion, this periodicity of physical verification is reasonable having regard to the size and nature of the Company and the nature of its assets. Pursuant to such programme, a portion of such fixed assets has been physically verified by the management during the year and no material discrepancies were noticed on such verification.
- c) In our opinion and according to the information and explanation given to us, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
- d) The company has not revalued the Property, Plant and Equipment (including Right of use assets) or intangible assets or both during the year.
- e) No proceedings have been initiated or pending against the company as on 31st March 2026 for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii.

- a) The company is a Non-Banking Financial Company engaged in the business of providing loans and does not hold any type of physical inventories. Therefore, the provisions of paragraph (3)(ii)(a) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.
- b) During the year, the Company has been sanctioned working capital limits in excess of rupees five Crore, in aggregate from banks or financial institutions on the basis of security of current assets including receivables. The statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company;

iii.

- a) The company is a Non – Banking Financial Company engaged in the principal business of providing loans. Therefore, the provisions of paragraph 3 (iii)(a) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.
- b) In our opinion and according to the information and explanations given to us by the company, the terms and conditions of all the loans and advances granted by the company during the year are not prejudicial to the company's interest.
- c) In our opinion and according to the information and explanations given to us by the company, in respect of the loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated by the company. Considering the company is a Non-Banking financial company registered under the provisions of RBI Act, 1934 and the rules made thereunder, in pursuance of it's compliance with the provisions of said Act/Rules, particularly the Income recognition, Asset classification, Provisioning norms, Prudential regulating monitors the repayment of principal and payment of interest by it's borrowers as stipulated. In cases where repayment of principal and payment of interest is not received as stipulated, the cognizance thereof is taken by the company in the course it's periodic regulatory reporting. Further for the instances where there are delay or default in repayment of principal and/or interest and in respect of which the company has recognized necessary provisions in accordance with principles of Indian accounting standards (Ind AS) and the guidelines issued by Reserve Bank of India (RBI) for income recognition, and asset classification.
- d) In respect of loans and advances in the nature of loans which are overdue for more than 90 days amounting to ₹ 871.77 Lakhs against which appropriate provision has been made. The company has taken necessary steps for the recovery of principal and interest. The details are given in below table.

(₹ In Lakhs)

| Type of Loan      | No of Loans | Principal Overdue | Remarks                                                                                                                                                                                                                                                                          |
|-------------------|-------------|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MSME              | 346         | 475.66            | Since it's a NBFC, their principal business is to give loans. The loans for which overdue for more than 90 days are treated as irregular and these cases are classified as NPA as per RBI IRACP norms. The income recognition of the above has been done as per RBI IRACP norms. |
| Vehicle Loan      | 144         | 380.83            |                                                                                                                                                                                                                                                                                  |
| Equipment finance | 8           | 15.27             |                                                                                                                                                                                                                                                                                  |
| <b>Total</b>      | <b>498</b>  | <b>871.77</b>     |                                                                                                                                                                                                                                                                                  |

- e) The company is a Non-Banking Financial company engaged in the principal business of providing loans. Therefore, the provisions of paragraph 3(iii)(e) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.
  - f) The company has not granted any loans and advances in the nature of loans which were either or without specifying the terms or period of repayment. Hence reporting under paragraph 3(iii)(f) of the companies (Auditor's Report) Order, 2020 are not applicable to the company.
- iv. In our opinion and according to the information and explanations given to us, the Company has not given any loans, made any investments, provided any guarantees, and given any security to which the provision of Section 185 and 186 of the Companies Act are applicable.

- v. In our opinion and according to the information and explanation given to us, the Company has not accepted any Deposits or amounts which are deemed to be deposits from the public. Therefore, the Directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder are not applicable to the Company. The Company has not received any order from the Company Law Board or National Company Law Tribunal or any other Tribunal in this regard.
- vi. Being a Non- Banking Finance Company, maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the company.
- vii.
  - a) The Company is regular in depositing undisputed statutory dues including Provident fund, Employees' State Insurance, Income tax, Sales tax, Service tax, Goods and Services tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities wherever applicable to it. There are no arrears of statutory dues as at the last day of the financial year concerned for a period of more than six months from the date on which they became payable.
  - b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax which have not been deposited on account of any dispute.
- viii. There are no transactions which were not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix.
  - a) In our opinion and according to the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in repayment of interest thereon to any lender.
  - b) In our opinion and according to the information and explanation given to us, the company is not a declared wilful defaulter by any bank or financial institution or other lender.
  - c) In our opinion and according to the information and explanation given to us, the term loans were applied for the purpose for which the loans were obtained.
  - d) In our opinion and according to the information and explanation given to us, the company has not utilized the funds raised on short term basis for long term purposes.
  - e) In our opinion and according to the information and explanation given to us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
  - f) In our opinion and according to the information and explanation given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

x.

- a) In our opinion and according to the information and explanations given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3(x)(a) of the Companies (Auditor's Report) Order, 2020 are not applicable to the company.
- b) In our opinion and according to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.

xi.

- a) According to the information and explanations given to us during the year under audit, no fraud by/on the company has been noticed or reported.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year.
- c) According to the information and explanations given to us and based on our examination of the records of the Company, no whistle – blower complaints have been received during the year by the company.

xii. As the Company is not a Nidhi Company, paragraph 3(xii)(a),(b),(c) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Section 177 and 188 of the Companies Act, 2013 and the details of such transactions have been disclosed in the notes to the financial statements of the Company as required by the applicable Indian accounting standards.

xiv.

- a) The company has an internal audit system commensurate with the size and nature of its business;
- b) The reports of the Internal Auditors for the period under audit were considered by us on a random basis, in determining the nature, timing and extent of our audit procedures in accordance with the guidance provided in SA 610 "Using the work of Internal Auditors"

xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with the directors or persons connected with them. Accordingly, paragraph 3(xv) of the order is not applicable to the Company.

xvi.

- a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has obtained the required registration under Section 45-IA of the Reserve Bank of India Act, 1934.
- b) The company has conducted Non-Banking Financial activities with a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934 for conducting Non – Banking financial activities and no business has been conducted by the company without valid certificate of registration.
- c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence reporting under paragraph 3(xvi)(c) of the Companies (Auditor's Report) Order, 2020 are not applicable to the company.
- d) There are no CICs as part of the Group to which the company belongs. Hence reporting under paragraph 3(xvi)(d) of the Companies (Auditor's Report) Order, 2020 are not applicable to the company.

xvii. According to the information and explanations given to us and based on our examination of the records of the Company, the company has not incurred cash losses in the financial year and in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly reporting under paragraph 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx.

- a) In respect of other than ongoing projects, there are no unspent amount under sub-section (5) of section 135 of the Companies Act, 2013, on account of other than ongoing projects required to be transferred to the Fund specified in Schedule VII to the Companies Act, 2013 in compliance with second proviso to section 135(5) of said Act. Accordingly reporting under paragraph 3(xx) (a) of the Order is not applicable.
- b) The company did not have any ongoing projects relating to Corporate Social Responsibility during the financial year. Accordingly, there are no unspent amount under sub-section (5) of section 135 of the Companies Act, 2013, on account of ongoing projects are required to be transferred to a

special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly reporting under paragraph 3(xx) (b) of the Order is not applicable.

xxi. Since this is a standalone financial statement Paragraph 3(xxi) of the order' is not applicable.

**ANNEXURE III****TO THE AUDITOR'S REPORT**

**Annexure 3 to the Independent Auditor's Report of even date on the Financial Statements of Hedge Finance Limited for the year ended 31 March 2026.**

**Report on the Internal Financial Controls with reference to the aforesaid Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") (Referred to in paragraph 3(i) under "Report on Other Legal and Regulatory Requirements" section of our report of even date)**

**Opinion**

We have audited the internal financial controls over financial reporting of Hedge Finance Limited as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has in all material respects, an adequate internal financial control over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note issued by the ICAI.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of the internal controls stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the "Guidance Note") and the standards on auditing ("the Standards") issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of the internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on assessed risk. The

procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

#### **Meaning of Internal Financial Control over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and the dispositions of the assets of the Company;
- ii. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made in accordance with authorization of the management and directors of the Company; and
- iii. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent limitation of internal financial controls over financial reporting**

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to fraud or error may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of the changes in conditions, or that the degree of compliance with policies or procedures may deteriorate.

See accompanying notes to the financial statements

**HEDGE FINANCE LIMITED****NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2026**

*(All amounts are stated in lakhs of Indian Rupees, unless otherwise stated)*

**I. Corporate Information**

The Company incorporated on **15<sup>th</sup> February 2011** vide Certificate of Incorporation No. **U65923KL2011PLC027672** issued by the Registrar of Companies, Kerala to carry on the business of lending money either with or without security, carry on the business of hire purchase finance, leasing, gold loan, carry on the business of financiers, but the company shall not do the business of banking within the meaning of Banking Regulation Act, 1949 and subject to the Rules and Regulations issued by the Reserve Bank of India from time to time. The company has obtained Certificate of Commencement of Business on 18<sup>th</sup> June 2012.

**II. Basis of preparation, Critical accounting estimates and judgments****A. Basis for preparation of financial statements**

The Financial Statements of the company have been prepared in accordance with Indian Accounting Standards (IND AS) notified under the companies (Indian accounting standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurement required or allowed by relevant Indian Accounting standards.

Accounting policies have been consistently applied to all periods presented unless otherwise stated. The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, the liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgment or complexity, or areas where assumptions are significant to the company are discussed in note IV – Significant accounting judgments, estimates and provisions

**B. Presentation of financial statements**

The financial statements of the company are presented as per schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the ministry of corporate affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis excepts where the Company has a legally enforceable right to offset the recognized amounts and the intention to settle on a net basis or to realize the asset and settle the liability simultaneously.

**C. Statement of compliance**

These standalone or separate financial statements of the company have been prepared in accordance with Indian Accounting Standards as per the companies (Indian Accounting standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013, and other relevant provisions of the Act.

**D. New Accounting standards issued but not effective**

The Ministry of Corporate Affairs (MCA), vide the Companies (Indian Accounting Standards) Second Amendment Rules, 2025, has notified amendments to various Indian Accounting Standards (Ind AS), including Ind AS 1 – Presentation of Financial Statements and consequential amendments to Ind AS 10 – Events after the Reporting Period. These amendments are effective for annual reporting periods beginning on or after 1 April 2026.

The amendments primarily relate to classification of liabilities as current or non-current, disclosure requirements for liabilities subject to covenants and certain consequential changes.

The Company is in the process of evaluating the potential impact of these amendments on its financial statements and will implement them as applicable in the subsequent reporting periods.

**E. Functional and presentation currency**

The financial statements are presented in Indian rupees, which are the functional currency of the company and the currency of the primary economic environment in which the company operates. All values are rounded to the nearest lakhs, except when otherwise indicated.

**III. Significant accounting policies****A. Revenue Recognition**

Revenue is recognized to the extent that is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

**a. Interest income**

Interest income from financial assets is recognized on an accrual basis using Effective Interest Rate method (EIR). The effective interest rate method is the rate that exactly discounts estimated future cash receipts (Including all fees, transaction costs and other premiums or discounts paid or received) through the expected life of the financial instrument to the carrying amount on initial recognition. While estimating future cash receipts, factors like expected behaviour and life cycle of the financial assets, probable fluctuations in collateral value etc. are considered which has an impact on the EIR. In a situation where management believes that the recovery of interest is uncertain due change in the price of the gold or otherwise, the company recognizes income on such loans only to the extent it is confident of recovering interest from its customers through sale of underlying security or otherwise.

Such interests, where instalments are overdue in respect of non-performing assets are recognized on realization basis. Any such income recognized and remaining unrealized after the instalments become overdue with respect to Non-Performing Assets is reversed.

**b. Dividend**

Dividend income on equity shares is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

**c. Income from sale of services**

Revenue is recognized upon transfer of control of promised services to customer in an amount that reflects the consideration we expect to receive as per the agreement with customer.

When the performance obligation is satisfied over time and when there is no uncertainty as to measurement or collectability of consideration, revenue is recognized as per the percentage of completion method.

The company has applied revenue recognition criteria for each distinct performance obligation in relation to service income. The transaction price is allocated to each performance obligation based on the standalone selling price.

Any other revenue from operations is recognized based on a five-step model framework under IND AS 115 elucidated below:

Step 1 Identify the contract with the customer - a contract is considered within the scope when the contract is approved by both the parties, payment terms and parties' rights are identified, and it is probable that the consideration will be collected

Step 2 Identify the performance obligations in the contract

Step 3 Determine the transaction price

Step 4 Allocate the transaction price to the performance obligation in the contracts

Step 5 Recognize revenue when the company satisfies performance obligations.

**B. Financial Instruments****(a) Classification of Financial Instruments**

Financial instrument is any contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity.

Financial assets and financial liabilities are recognized on its balance sheet when the company becomes a party to the contractual provisions of the instrument.

**(b) Business Model Assessment**

Classification and measurement of financial assets depends on the results of the Solely Payments of Principal and Interest (SPPI) and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortized cost or fair value through other comprehensive income that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not

appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

## **Financial Assets**

### **Initial Recognition & measurement**

Financial asset is initially recognized in the Balance sheet at fair value. Transaction costs directly attributable to the acquisition of the financial asset measured at fair value through profit or loss are recognized immediately in profit or loss. Transaction costs directly attributable to the acquisition or issue of financial asset that are measured at amortized cost are added or deducted from the fair value of the financial asset as appropriate, on initial recognition.

### **Subsequent measurement**

Subsequent to initial recognition, financial assets may be classified as under:

- **Financial assets to be measured at amortized cost**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principle amount outstanding.

- **Financial assets to be measured at fair value through other comprehensive income (FVOCI)**

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting the contractual cash flows & selling financial assets and the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets to be measured at fair value through profit or loss account**

Where the criteria for the above two methods of classification are not met then the financial assets shall be measured at fair value through profit or loss account.

## **Financial Liabilities**

### **Initial Recognition & measurement**

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The company's financial liabilities include trade and other payables, non-convertible debentures, loans and borrowings including bank overdrafts.

### **Subsequent Measurement**

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

## Derecognition of Financial Asset/Liability

The Company derecognizes a financial asset when the contractual cash flows from the asset expire or it transfers its rights to receive contractual cash flows from the financial asset in a transaction in which substantially all the risks and rewards of ownership are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability. A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognized in profit or loss.

### (c) Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' model (ECL), for evaluating impairment of financial assets other than those measured at Fair value through profit and loss. Expected Credit Loss, at each reporting date, is measured through a loss allowance for a financial asset:

- At an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.
- At an amount equal to 12-month expected credit losses, if the credit risk on a financial instrument has not increased significantly since initial recognition.

Lifetime expected credit losses means expected credit losses that result from all possible default events over the expected life of a financial asset.

12-month expected credit losses means the portion of Lifetime ECL that represent the ECLs that result from default events on financial assets that are possible within the 12 months after the reporting date. The Company performs an assessment, at the end of each reporting period, of whether a financial assets credit risk has increased significantly since initial recognition. When making the assessment, the change in the risk of a default occurring over the expected life of the financial instrument is used instead of the change in the amount of expected credit losses”

Based on the above process, the Company categorizes its loans into three stages as described below:

For non-impaired financial assets

- **Stage 1** is comprised of all non-impaired financial assets which have not experienced a significant increase in credit risk (SICR) since initial recognition. A 12-month ECL provision is made for stage 1 financial assets. In assessing whether credit risk has increased significantly, the Company compares the risk of a default occurring on the financial asset as at the reporting date with the risk of a default occurring on the financial asset as at the date of initial recognition.
- **Stage 2** is comprised of all non-impaired financial assets which have experienced a significant increase in credit risk since initial recognition. The Company recognizes lifetime ECL for stage 2 financial assets. In subsequent reporting periods, if the credit risk of the financial instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then entities shall revert to recognizing 12 months ECL provision.

- For impaired financial assets: Financial assets are classified as stage 3 when there is objective evidence of impairment as a result of one or more loss events that have occurred after initial recognition with a negative impact on the estimated future cash flows of a loan or a portfolio of loans. The Company recognizes lifetime ECL for impaired financial assets.

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

- Probability of Default (PD) - The Probability of Default is an estimate of the likelihood of default over a given time horizon. PD is derived from historical default data. For each loan segment and disbursement month, defaults are tracked over the subsequent 12-month period.

- Example:

If 100 MSME loans were disbursed in April 2024, and 5 of them defaulted by April 2025, then:

$$12\text{-month PD} = (5 / 100) \times 100 = 5\%$$

- The 12-month PD is used for Stage 1 assets, based on historical trends.
- For Stage 2 assets, a lifetime PD is applied, reflecting the increased credit risk.
- For Stage 3 assets, the PD is assumed to be 100%, indicating confirmed credit impairment.

Defaults and write-off loans are considered while computing PD. Monthly cohorts are evaluated, and average PD is computed for each segment. Forward-looking overlays based on macroeconomic conditions may be applied.

- Exposure at Default (EAD) - The Exposure at Default is an estimate of the exposure at a future default date, considering expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments. The company uses historical information where available to estimate its EAD.
- Loss Given Default (LGD) – The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realization of any collateral.

#### Forward looking information

While estimating the expected credit losses, the Company reviews macro-economic developments occurring in the economy and market it operates in. On a periodic basis, the Company analyses if there is any relationship between key economic trends like GDP, unemployment rates, benchmark rates set by the Reserve Bank of India, inflation etc. with the estimate of PD, LGD determined by the Company based on its internal data. While the internal estimates of PD, LGD rates by the Company may not be always reflective of such relationships, temporary overlays, if any, are embedded in the methodology to reflect such macroeconomic trends reasonably.

To mitigate its credit risks on financial assets, the Company uses collateral, where possible. Collateral comes in various forms such as Gold Jewellery in respect of Gold loans, Shares in case of loan against shares, vehicle in respect of vehicle loans, stock in respect of business Loan/MSME loan/Micro loans. However, the fair value of collateral affects the calculation of ECL. The collateral is majorly the property for which the loan is given. The fair value of the same is based on data provided by third party or management judgments.

Loans are written off (either partially or in full) when there is no realistic prospect of recovery. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. Any subsequent recoveries against such loans are credited to the Statement of Profit and Loss. Where the expected credit loss assessed by the company based on the above metrics are lower than the provision required under the RBI norms, an overlay is added to the provision methodology to ensure that the expected credit loss ascertained by the company is always not lower than the minimum regulatory provision required under RBI norms

#### **Determination of Fair Value of Financial instruments**

The company measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the perception that the transaction to sell the asset or transfer the liability takes place either –

- a. In the principal market for the asset or liability.
- or
- b. In the absence of principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability assuming that market participants act in their economic best interest. The fair value measurement of a non-financial asset takes into account a market participants ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The financial instruments are classified based on hierarchy of valuation techniques, as summarized below.

**Level 1** - This level includes financial assets that are measured by reference to quoted prices in active markets for identical assets or liabilities.

**Level 2** - This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. price) or indirectly (i.e. derived from prices).

**Level 3** - This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs).

Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

### **C. Retirement and other employee benefits**

#### **1. Short term Employee Benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognized in the period in which the employee renders the related service.

#### **2. Long term Employee Benefits**

All employees who served a minimum of 5 years eligible for the gratuity as per the provisions of gratuity Act. The company doesn't have any group gratuity scheme. And gratuity provision determined by actuary.

### **D. Leases**

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset.

#### *The Company as a lessee*

The Company has elected not to recognize right-of use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months and leases with low value assets. The Company determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend the lease, where the Company is reasonably certain to exercise that option.

The Company recognizes the lease payments associated with these leases as an expense in Statement of Profit and Loss on a straight-line basis over the lease term or another systematic basis if that basis is more representative of the pattern of the lessee's benefit. The related cash flows are classified as operating activities.

Wherever the above exception permitted under Ind AS 116 is not applicable, the Company at the time of initial recognition:

- Measures lease liability as present value of all lease payments discounted using the Company's incremental cost of borrowing and directly attributable costs. Subsequently, the lease liability is increased by interest on lease liability, reduced by lease payments made and remeasured to reflect any reassessment or lease modifications specified in Ind AS 116 'Leases', or to reflect revised fixed lease payments.
- Measures 'Right-of-use assets' as present value of all lease payments discounted using the Company's incremental cost of borrowing and any initial direct costs. Subsequently, 'Right-of-use

assets' is measured using cost model i.e. at cost less any accumulated depreciation (depreciated on straight line basis over the lease period) and any accumulated impairment losses adjusted for any re measurement of the lease liability specified in Ind AS 116 'Leases'

#### *The Company as a lessor*

Leases under which the Company is a lessor are classified as finance or operating leases. Lease contracts where all the risks and rewards are substantially transferred to the lessee, the lease contracts are classified as finance leases. All other leases are classified as operating leases. Lease payments from operating leases are recognized as an income in the Statement of Profit and Loss on a straight-line basis over the lease term or another systematic basis if that basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished.

#### **E. Taxes**

##### • **Current Tax**

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible in accordance with applicable tax laws. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the end of reporting date in India where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss i.e., either in other comprehensive income or in equity. Current tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

##### • **Deferred Tax**

Deferred tax assets and liabilities are recognized for temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realized, or the deferred income tax liability is settled.

Deferred tax assets are only recognized for temporary differences, unused tax losses and unused tax credits if it is probable that future taxable amounts will arise to utilize those temporary differences and losses. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis, or their tax assets and liabilities are realized simultaneously. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss ie, either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

- **Minimum Alternate Tax**

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that it is probable that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as “MAT Credit Entitlement.” The Company reviews the MAT Credit Entitlement asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period. As at the reporting date the company opted taxation under section 115BAA, hence MAT applicability not arisen.

**F. Foreign currency transaction**

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognized in profit or loss. As at the reporting period the company has no foreign currency transactions.

**G. Cash and cash equivalents**

Cash and cash equivalents comprise of cash at bank, cash in hand, cheque to be realized, bank deposits having a maturity of less than three months from the date of end of the financial year.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company’s cash management.

**Property Plant and Equipment**

The Company has elected to choose the cost model as its accounting policy and continue with the carrying value of assets as deemed cost of all its property, plant and equipment on transition date to Ind AS.

The property plant and equipment are the assets held for the use in the supply of services. Property, plant and equipment’s are stated in the balance sheet at cost (net of duty/tax credit availed) less accumulated depreciation and accumulated impairment losses, where applicable.

The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and

adjusted prospectively, if appropriate. Changes in the expected useful life are accounted for by changing the amortization period or methodology, as appropriate, and treated as changes in accounting estimates. Subsequent expenditure related to an item of tangible asset are added to its gross value only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

## **H. Depreciation**

Depreciation is provided using written down value method as per the Useful life provided in the Schedule II of The Companies Act, 2013.

## **I. Intangible Assets**

An intangible asset is recognized only when its cost can be measured reliably and it is probable that the expected future economic benefits that are attributable to it will flow to the Company. Intangible assets acquired separately are measured on initial recognition at cost. The cost of an intangible asset comprises its purchase price and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and any accumulated impairment losses. The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are amortized over the useful economic life. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year-end. Changes in the expected useful life, or the expected pattern of consumption of future economic benefits embodied in the asset, are accounted for by changing the amortization period or methodology, as appropriate, which are then treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is presented as a separate line item in the statement of profit and loss. Amortization on assets acquired/sold during the year is recognized on a pro-rata basis to the Statement of Profit and Loss from / upto the date of acquisition/sale. Amortization is calculated using the straight-line method to write down the cost of intangible assets to their residual values over their estimated useful lives. Intangible assets comprising of software are amortized on a straight-line basis over a period of 5 years unless it has a shorter useful life.

The Company's intangible assets consist of computer software with definite life. Gains or losses from derecognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognized in the Statement of Profit and Loss when the asset is derecognized.

## **J. Related Party**

All related party transactions which were entered into during the year were on an arm's length basis and generally in the ordinary course of business under the Act. The Company has a policy on related party transactions which has been approved by the Board. All the transactions which are identified as related party transactions are approved by the Audit Committee/ Board of Directors/ members at the General Meeting as may be deemed necessary and as stipulated in the policy.

Details of transactions entered with the related party is disclosed in Note VI (3) Accompanying notes to the financial statements.

**K. Provisions**

Provisions are recognized when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, the enterprise determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement. As at reporting date, the Company does not have any such provisions where the effect of time value of money is material.”

**L. Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The company does not have any contingent assets in the financial statements.

**M. Earnings per Share**

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net profit for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

**N. Cash Flow**

The company is reporting cash flow statement in indirect method, whereby net profit or loss is adjusted for the effects of transactions of a non-cash nature, tax, any deferrals, or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

**O. Expenditure on Corporate Social Responsibility (CSR)**

The company accounts for expenditure incurred on Corporate Social Responsibility (CSR) in accordance to the provisions of the Companies act 2013, as a charge to the Statement of Profit and Loss.

## P. Impairment of Non-Financial Assets

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

## IV. Significant accounting judgments, estimates and provisions

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

### i. Business Model Assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortized cost or fair value through other comprehensive income that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

### ii. Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan is determined using the reliable estimate by the company. The assumptions used for the determination of the plan reviewed annually by the company.

### iii. Fair value measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation

techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

#### **iv. Impairment of loans portfolio**

The measurement of impairment losses across all categories of financial assets requires judgment, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the Assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances. It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

#### **v. Contingent liabilities and provisions other than impairment on loan portfolio**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

#### **vi. Effective Interest Rate (EIR) method**

The Company's EIR methodology recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognizes the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty, interest, and charges). This estimation, by nature, requires an element of judgement regarding the expected behaviour and life cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the Instrument.

#### **vii. Determination of lease term**

Ind AS 116 "Leases" requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

#### **viii. Other estimates:**

These include contingent liabilities, useful lives of tangible and intangible assets etc.

Notes to Ind AS Financial Statements for the Year ended March 31, 2026

**2.1 Expected Credit Loss (ECL)**

As required by RBI, the Company is obliged to comply with the extant prudential norms on Income Recognition, Asset Classification and Provisioning (IRACP). ECL computed by the Company as per the policy, laid down under significant accounting policies, is higher than the provision as per IRACP norms.

The Notification RBI/2019-20/170 dated 13 March 2020, states that a comparison to be made between the provisions required under IRACP and impairment allowances made under Ind AS 109 and where the impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), the Company shall appropriate the difference from their net profit or loss after tax to a separate 'impairment reserve'.

Since the ECL provision computed as per the policy laid down under significant accounting policies is higher than the provision as per IRACP norms, the requirement of appropriating the difference from the net profit after tax to a separate 'impairment reserve' does not arise.

An analysis of changes in the gross carrying amount and the corresponding ECL allowances in relation to receivables under financing activities are as follows:

**Note 26: Earnings Per Share**

Basic earnings per share (EPS) is calculated by dividing the net profit for the year attributable to equity holders of Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is calculated by dividing the net profit attributable to equity holders of the company (after adjusting for interest on the convertible preference shares and interest on the convertible bond, in each case, net of tax, if any) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

## 27.5. Managerial Remuneration

(₹ In Lakhs)

| Sl. No | Name of the Director | Current Year | Previous Year |
|--------|----------------------|--------------|---------------|
| i      | Alex K Babu          | 25.30        | 24.38         |
| ii     | Padmakumar K P       | 15.60        | 15.60         |

## 27.6. Capital Management

The Company maintains an actively managed capital base to cover risks inherent in the business which includes issued equity capital, share premium and all other equity reserves attributable to equity holders of the Company. The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximize shareholder value. The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies, and processes from the previous years except those incorporated-on account of regulatory amendments. However, they are under constant review by the Board.

## 27.7. Fair Value Measurement

### a. Valuation Principle

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, explained in the note - "Determination of fair value of Financial Instruments" (Note No: III).

**b. Valuation Hierarchy: Investments**

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy:

**Level 1:** valuation based on quoted market price: financial instruments with quoted prices for identical instruments in active markets that the Company can access at the measurement date.

**Level 2:** valuation based on using observable inputs: financial instruments with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets and financial instruments valued using models where all significant inputs are observable.

**Level 3:** valuation technique with significant unobservable inputs: – financial instruments valued using valuation techniques where one or more significant inputs are unobservable.

### c. Valuation Techniques

Equity Instruments: Equity instruments in listed entities are measured at the latest available listed market price as at the end of the reporting date.

Mutual funds: these were measured at the latest available market price as at the end of the reporting date

Debt Instruments: Debt instruments in listed entities are measured at the latest available market price as at the end of the reporting date.

### d. Transfer between Level 1, Level2 and Level 3 during the reporting period

During the year there have been no transfers between level 1 and level 2. Similarly, there were no transfers from or to level 3.

### e. Fair value of financial instruments not measured at fair value

Set out below is a comparison, by class, of the carrying amounts and fair values of the Company's financial instruments that are not carried at fair value in the financial statements. This table does not include the fair values of non-financial Assets and non-financial liabilities.

(₹ In Lakhs)

| Particulars                             | Level | Carrying Value |            | Fair Value |            |
|-----------------------------------------|-------|----------------|------------|------------|------------|

### f. Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Group's financial statements. These fair values were calculated for disclosure purposes only.

#### Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include cash and bank balances, balances other than cash and cash equivalents, trade

payables, other financial liabilities, and other financial assets without a specific maturity. Such amounts have been classified as Level 2 on the basis that no adjustments have been made to the balances in the balance sheet.

#### **Loans and advances to customers**

The fair values of loans and receivables are estimated by discounted cash flow models that incorporate assumptions for credit risks, probability of default and loss given default estimates. Since comparable data is not available, Credit risk is derived using, historical experience, management view and other information used in its collective impairment models.”

#### **Borrowings**

The floating rate loans are fair valued on the basis of MCLR+ spread. For fixed rate loans, the carrying values are a reasonable approximation of their fair value.”

### **27.8. Introduction And Risk Profile**

As a lending institution, the Company is exposed to various risks that are related to gold lending business, micro finance business and operating environment. Risk management forms an integral element of the business. The objective in the risk management process is to appraise, measure and monitor the various risks that are subject to and to follow policies and procedures to address these risks. The Company manages it through the risk management architecture. The Company continues to improve the policies and procedures and to implement these rigorously, for the efficient functioning of the business. This also helps in managing the risks, associated with the business.

#### **Risk management structure**

The Company has constituted Executive Risk Management Committee to assist the Board of Directors in the execution of its risk management accountabilities. The Committee provides the Risk Committee of the Board of Directors an independent and objective oversight view of the information to review Company’s financial risk activities and provide an assurance to the Board of Directors that the Company has implemented an effective ongoing process to identify the risk, to measure the potential impact and proactively manage these risks and to decide the tolerance for the risk.

#### **Risk mitigation and risk culture**

The following risk mitigation measure has been suggested at each stage of loan life cycle:

- **Loan Origination** - site screening, independent visit by manager, adequate training to officers.
- **Loan underwriting** - Risk rating, independent assessment, etc.
- **Loan Pre and Post Disbursement** - disbursement at the branch premises and in the bank account only, tracking to avoid misuse of funds,
- **Loan monitoring** - credit officers to attend Company meeting, reminder of payment of EMI on time, etc.
- **Loan collection and recovery** - monitor repayments, confirmation of balances, overdue and non-performing assets.

## Risk measurement and reporting systems

In order to address the risks that are inherent to the business, the Company has developed a risk management architecture that includes a Risk Management Committee, of the Board of Directors, internal audit department, and an Executive Risk Management Committee comprising senior management. The Risk Management Committee oversees the risk management policies, which helps to identify, measure, monitor and mitigate the various risks in the businesses. The terms of reference of Risk Management Committee are as follows:

- a. To assist the Board in setting risk strategy policies in liaison with management and in the discharge of its duties relating to corporate accountability and associated risk in terms of management assurance and reporting.
- b. To review and assess the nature, role, responsibility and authority of the risk management function within the Company and outline the scope of risk management work; and
- c. To review and assess the quality, integrity and effectiveness of the risk management systems and ensure that the risk policies and strategies are effectively managed

## Internal Audit Department & Risk Audit

Our internal audit department assists in the management of operational risk.

## Assets-Liabilities Management Policy

Our Board adopted the asset-liability management policy (“ALM Policy”) on 10 June 2019 which is periodically reviewed.

## 27.9. Analysis Of Risk Concentration

### 1. Credit Risk

Credit risk is the possibility of loss due to the failure of any counterparty to abide by the terms and conditions of any financial contract with us.

We believe that the credit risk in our Gold Loan business is relatively low because all our loans are generally over collateralized by pledged gold ornaments. We aim to reduce credit risk through a rigorous loan approval and gold appraisal process, KYC compliance procedures, and a strong non-performing asset (“NPA”) monitoring and recovery mechanism. The credit risk is diminished because the gold jewellery used as security for our loans can be readily liquidated, and the possibility of recovering less than the amount due to us is relatively low. We mitigate credit risk by not disbursing loans in excess of specified limits, as fixed by our Company from time to time, to the same customer, and for high value

loans, we undertake a credit check or profiling of the borrower before a loan is approved. We have developed methods to peg the value of the loan amount to the moving average price of gold. We also decrease credit risk by focusing on the quality of the pledged gold. Our internal control system ensures independent verification of the gold by at least two officials at the branch level. The level of verification at the branch level increases as the loan value increases. In addition, the quality of gold is checked by the inspecting officers of the Company through random checks and by gold auditors through a detailed check.

Credit risk other than gold loan business is generally higher than our Gold Loan business. However, our product is designed in such a way that minimizes the risk. We have a detailed internal rating system with credit score card helps us to categorize customers based on credit risk and it will help us to take risk mitigation measures accordingly. Most of the lending is in secured nature. We introduced multi-level credit scrutiny measures like Field verification on customer residence, business location, collateral location, etc. from branch level, verification officer level, and random verification from internal audit officer. We have a strong collection process for delinquent accounts by categorizing customers in different buckets based on the frequency of delinquency. The entire collection process is coordinated by our internal collection team.

#### **Collateral and other credit enhancements**

The amount and type of collateral required depends on an assessment of the credit risk of the counterparty.

The table below discloses the maximum exposure to credit risk by class of financial asset. They also disclose the quantitative information of collateral held including surplus collateral (the extent to which the value of collateral held is greater than the exposure to which it relates), and the net exposure to credit risk based on Loan to Value at the point of origination of loans.

As on 31/03/2026

## 2. Liquidity Risk

Our business is cash intensive and requires substantial funds, on an ongoing basis, to finance the loan portfolio and to grow it. Any disruption in the funding sources would have a material adverse effect on our liquidity and financial condition. The Company is proactively pursuing a system of identifying and accessing newer and cheaper sources of funds, to finance the AUM and to grow the business. There is a regular meeting of our asset liability management committee which reviews the liquidity position of the Company and arranges for sufficient funding in advance, for growth.

## 3. Market Risk

Market risk arises in gold loan and Loan Against Shares. In gold loan, this is due to the probable decline in the value of the pledged gold and in Loan against share, the cause would be fluctuation in share price. The risk in gold loan part mitigated by linking the LTV to the 30-day average price of gold. This risk is further reduced because we appraise the gold jewellery and fund loans based solely on the weight of gold content without considering design cost, production cost or value of gemstones. In addition, we believe that the sentimental value of the gold jewellery to the customers may induce repayment and redemption of the pledged gold even if the value of the pledged gold falls below the value of the repayment amount. We believe that a prompt and effective recovery mechanism also helps us deal with this risk.

The risk in loan against shares is mitigated by classifying shares based on their valuation like A, B & C and a hair-cut applicable on them. In addition, the MTM risk on these loan portfolios are tracked daily.

## 4. Operational Risk

Operational risk broadly covers the risk of direct or indirect loss due to the failure of systems, people or processes, or due to external events. We have instituted a series of checks and balances and audit reviews to address the various operational risks. We have clearly defined appraisal methods to mitigate appraisal risk. Inaccurate appraisal of the pledged gold may lead to funds being advanced against low value or spurious gold. This risk is mitigated by our policies on internal control, generation of alert reports and additional requirements for high value loans. We also have detailed guidelines on movement of cash or gold to address custodial risk, which is the risk associated with the safety and security of our gold inventory. In addition, we have installed surveillance cameras across of all our branches, and security guards are present at night at certain sensitive branches. We undertake significant employee profiling and background verification checks before hiring and continuously monitor their lifestyle changes. We are also maintaining insurance cover for our gold stock and cash with our branches, and cash in transit, against theft, loss or damage by fire as well as against natural calamities including earthquake and floods.

### Rating Loans Days past due (DPD) Stages with regard to quality of assets

The Company considers a financial instrument as defaulted and therefore Stage 3 (credit- impaired) for Expected credit Loss (ECL) calculations in all cases when the borrower becomes 181 days past due on its contractual payments.

| Rating       | Days Past Due (DPD) | Stages  |
|--------------|---------------------|---------|
| High grade   | Not yet due         | Stage 1 |
| High grade   | 1-30 DPD            | Stage 1 |
| High grade   | 31-60 DPD           | Stage 2 |
| Medium grade | 61-90 DPD           | Stage 2 |
| Low grade    | 90 DPD or More      | Stage 3 |

### Liquidity risk and funding management

The table below summarizes the maturity profile of the undiscounted cash flows of the company's financial assets and liabilities as at March 31.

### Maturity pattern of assets and liabilities as on March 31, 2026

## Interest Rate Risk

The Company's exposure to changes in interest rates relates to the Company's outstanding floating rate liabilities. Most of the Company's outstanding liability is on fixed rate basis and hence not subject to interest rate risk. Some of the borrowings of the Company are linked to rate benchmarks hence subject to interest rate risk.

## CRAR (Capital to Risk Asset Ratio)

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

The company reports CRAR (Capital to Risk Asset Ratio) as per RBI guidelines. CRAR have been computed by dividing total of Tier-1 and Tier-2 capital by total of risk weighted asset.

| Particulars                | As on 31/03/2026 | As on 31/03/2025 |
|----------------------------|------------------|------------------|
| CRAR – Tier I Capital (%)  | 17.39%           | 16.40%           |
| CRAR – Tier II Capital (%) | 9.04%            | 8.37%            |
| CRAR (%)                   | 26.44%           | 24.78%           |

## 5. Maturity Pattern of Assets and Liabilities

The table below shows an analysis of assets and liabilities analysed according to when they are expected to be recovered or settled:

|   | (iii)                                                                                                                              | Assets acquired in satisfaction of debt |                                                 |           | -                                 |

**Notes:**

1. As defined in paragraph 5.1.26 of the Directions.
2. Provisioning norms shall be applicable as prescribed in these Directions.

3. All notified Accounting Standards and Guidance Notes issued by ICAI are applicable including for valuation of investments and other assets as also assets acquired in satisfaction of debt. However, market value in respect of quoted investments and break up/ fair value/ NAV in respect of unquoted investments shall be disclosed irrespective of whether they are classified as long term (amortised cost in the case of Ind AS) or current (fair value in the case of Ind AS) in (5) above.

#### 1. Loans against gold and silver collateral

##### i. a) Details of loans extended against eligible gold collateral

Pursuant to RBI (Lending Against Gold and Silver Collateral) Directions, 2025, the Company is currently not engaged in providing gold and silver loans. Accordingly, the classification of gold loans into consumption loans and income-generating loans is not applicable.

##### ii. Details of gold and silver collateral and auctions

<sup>@</sup> Disclosures for directors and relatives of directors should be made separately in separate columns from other KMPs and relatives of other KMPs.

<sup>#</sup> The outstanding at the year end and the maximum during the year are to be disclosed.

\* Specify item if total for the item is more than 5 per cent of total related party transactions. Related parties would include trusts and other bodies in which the NBFC can directly or indirectly (through its related parties) exert control or significant influence.

## 9. (2) Exposures to Related Parties

\* Non-convertible debentures (original maturity of less than one year)

### 13.6 Institutional setups for liquidity risk management

whether the Company has established an institutional framework for liquidity risk management, including Board oversight, Asset-Liability Committee (ALCO) functioning, and compliance with RBI guidelines. If such a framework exists, details of its governance structure, monitoring mechanisms, and stress-testing practices should be disclosed.

The Company has established an institutional framework for liquidity risk management through a Board-approved Asset Liability Management (ALM) Policy and an Asset Liability Committee (ALCO). The ALCO is responsible for managing liquidity risk and periodically reviews the Company's liquidity position, maturity gaps, funding concentration, stress-testing outcomes, and other liquidity risk indicators. The Board of Directors provides oversight of the liquidity risk management framework through periodic review of ALCO reports and recommendations.
